FYI--See invite below for the CSO Legal Counsel session on OR 6217. They are envisioning a panel with me, Don and Patty Snow to share our "perspectives on the impact of the Oregon NPS lawsuit" especially the impact to other state programs.

I can start drafting some potential Q&As to expand on what we developed for the rollout and work with Don to find a time on everyone's calendars to touch base about this before the session to make sure we're all on the same page and have a clear response to some of the questions we're bounds to get from the state coastal mngt programs.

Dear Allison:

Attached (and pasted below) is the invitation to join our CSO Legal Counsel meeting. Also attached is the draft agenda, note that the counsel meeting is on March 5th. As you can see, I have included Don Waye as a possible speaker. However, I wanted to check with you first, to see who you would recommend (if anyone) to ask us to join us from EPA. We will defer to your advice!

I look forward to hearing from you.

All the best, Mary

Dear Allison:

On behalf of the CSO delegates appointed by the governors of the thirty-five coastal states, territories and commonwealths, I invite you to share your perspectives on the impact of the Oregon NPS lawsuit at our 2014 Legal Council Meeting at 10:00 AM to 2 PM on Wednesday, March 5th at the Hall of the States. *Northwest Environmental Advocates v. Locke, et al.* and its implications will be discussed at 10:30 AM – 11:30 AM. We also hope that you can remain and take part in the entire meeting. Please see the attached agenda.

As we discussed, we welcome suggestions about other people you would to join the discussion. The meeting promises to be of interest to many members, and will hopefully generate discussion and address some worries about the implications of the lawsuit on other state programs.

We look forward to hearing from you and hope you can join us.

With warmest regards,

Mary Munson
